## ELIZABETH FENTON & SERGIO SILVA

When Sergio Silva proposed to Elizabeth Fenton, his girlfriend of five years and a planner at Todd Events, the chance to plan her own big day was a dream come true. She turned to her team—and a host of industry friends—to create a one-of-a-kind celebration at the Petroleum Club on December 13, 2014. The nuptials beautifully blended their cultures (he's Colombian, she's from the U.S.) and faiths (she's Jewish, he's Catholic). It was the perfect marriage.
